第十五课 页面功能区域布局实战（导航栏）

学习目录

导航栏文档结构

```
<div id="hearder">

    <h1 class="title">欢迎来到我的个人网站</h1>

    <ul class="nav">

        <li class="myIndex"><a href="">我的主页</a></li>

        <li class="myCourse"><a href="">我的课程</a></li>

        <li class="myLife"><a href="">我的生活</a></li>

        <li class="myProject"><a href="">我的作品</a></li>

    </ul>

    <div class="search">

        <input type="text" placeholder="请输入您要搜索的内容" />

        <button>搜索</button>

    </div>

</div>
```

导航栏样式

```
#hearder{
```

```css
    background: #fff;

    height:60px;

    line-height: 60px;

    border-bottom:1px solid #ccc;

}

#hearder .title{

    width:200px;

    height:30px;

    line-height: 30px;

    font-size: 20px;

    display: inline-block;

    position: relative;

    left:20px;

    padding-left:40px;

    color:#333;

    background: url(./img/welcome.png) no-repeat left center;

}

#hearder .nav{

    display: inline-block;

    position: relative;

    left:100px;

}
```

```css
#hearder .nav li{

        display: inline-block;

        margin:0px 10px;

        padding:0px 10px;

        cursor: pointer;

        padding-left:40px;

}

#hearder .nav li.myIndex{

        background: url(./img/index.png) no-repeat left center;

}

#hearder .nav li.myCourse{

        background: url(./img/course.png) no-repeat left center;

}

#hearder .nav li.myLife{

        background: url(./img/life.png) no-repeat left center;

}

#hearder .nav li.myProject{

        background: url(./img/project.png) no-repeat left center;

}

#hearder .nav li:hover a{

        color: lightgreen;

        text-decoration: underline;
```

```
        }

        #hearder .search{

                display: inline-block;

                float: right;

                position: relative;

                padding:0px 20px 0px 0px;

        }

        #hearder .search input{

                border:1px solid #ccc;

                height:40px;

                line-height: 40px;

                width:200px;

                padding:0px 40px 0px 10px;

        }

        #hearder .search input:focus{

                border:1px solid lightgreen;

        }

        #hearder .search button{

                border:none;

                background: none;

                position: absolute;

                top:19px;
```

```
        right:25px;

        border-left:1px solid #ccc;

        background: url(./img/search.png) no-repeat left center;

        text-indent: -9999px;

        width:30px;

        height:30px;

        cursor: pointer;

    }
```
